

## Fun with money words

A. Take a look at the story below. Some words are missing.

Can you fit the right word into each sentence?

**Here's a hint:** use each word is only used once.

afford

costs

earned

money

save

Denise wants to use her own \_\_\_\_\_ to buy a new toy. She \_\_\_\_\_ \$15 by selling cookies with her brother. They made \$30 selling them to neighbours. The toy Denise wants to buy \_\_\_\_\_ \$20. She can't \_\_\_\_\_ it! But Denise isn't worried. She will \_\_\_\_\_ her money until she has enough to buy the toy.

**B.** Remember the key words from our story? They were: **Afford, Save, Cost, Earn,** and **Money.**

Can you use these words in a sentence? Think of fun and creative ways to use these words in your own sentences.
